

Jack K. Wolf

CMRR Endowed Chair, UCSD Center for Magnetic Recording Research

Jack Keil Wolf received the BSEE degree from the University of Pennsylvania and the MSE, MA, and PhD degrees from Princeton University. He currently is the Stephen O. Rice Professor of Magnetics in the Center of Magnetic Recording Research and a member of the Electrical and Computer Engineering Department at the University of California-San Diego. He was an NSF Senior Postdoctoral Fellow and held a Guggenheim Fellowship. His current interests are in signal processing for storage systems. He is a member of the National Academy of Engineering and the American Academy of Arts and Sciences. He has been the recipient (or co-recipient) of the following IEEE awards: the 1990 E. H. Armstrong Achievement

Award, the 1975 IEEE Information Theory Group Prize Paper Award, the 1992 Leonard G. Abraham Prize Paper Award, the 1998 Koji Kobayashi Award, the 2001 Information Theory Society Shannon Award, the 2004 Hamming Medal and the 2007 Aaron D. Wyner Award.
